#### **Prayer**

1. Thank God for His sovereign will and purpose for creation.
2. Open your mouth and sincerely appreciate GOD for the KDF Global Revival prayer movement he is birthing in our generations through His servant, the Arch Bishop, His grace, Dr. Sam Amaga.

Appreciate GOD for his goodness, mercies, compassion and loving kindness towards you and your family.

Thank HIM for preservations, protections and provisions.

Thank HIM again, for the revival that is about to break loose on you, your family, and your generation.

Thank the Lord for the revival that is about to break loose on our nations.

3. Thank the LORD again, because in this KDF Global revival prayer movement, the things that are dead will be brought back to life, and life will be given to the things that are dying.
4. Celebrate GOD, for picking you and your family, to birth revival that will outlast your present generations.
5. Thank GOD for the Blessings, Breakthroughs, Miracle, Signs and Wonders, and Multiplied souls that will attend to us because of this KDF Global revival prayer movement.
6. Thank God for His Agenda for the world these last days. Something is about to happen – there is deep anticipation in the air and we are part

of God's miracle that is about to happen. We are about to explode. Give God praise.

7. Thank God for bringing us into His glory. As the whole world experiences more darkness, God's glory is much more resting upon the church.
8. All of creation earnestly groans for the manifestation of the sons of God. Pray to God that none of us shall fail to manifest.
9. Thank God for the covering by His glory in our generation.
10. We pray God to build every believer up as a firebrand in our generation.
11. Pray that God will help us live His purpose for our lives in our generation.
12. We receive grace to call upon the Lord and to worship Him all through this season.
13. We release the fire of the Holy Ghost against all enemies that want to resist this revival.
14. We receive strength to take over in this generation in Jesus name.
